Note: If you are not registered with the State of Michigan as a Registered Sanitarian, the employee is titled "Sanitarian" and paid at one grade LESS on the salary schedule. Sanitarians may qualify with an Associate's Degree in the field of environmental health, biological, chemical or physical sciences, or engineering and a minimum of two (2) years' experience with environmental health services, food service inspection, sewage treatment or other environmental health duties. **A Berrien County application, resume and cover letter are required for this position.**

Special and Physical Requirements: State of Michigan registration as a Registered Sanitarian. Possession of a valid vehicle operator's license and a vehicle is required. In times of a public health emergency, may be required to report for specialized assigned duties inside or outside of Berrien County. Duties require sufficient mobility and physical condition to perform essential functions of the position which may include, but is not limited to, lifting objects up to 50lbs, walking on uneven terrain, slippery conditions, bending, stooping, and standing for extended periods of time in a wide variety of uncontrollable weather conditions, temperatures, and indoor/outdoor environments.

Desired: Reasonable knowledge of modern environmental health practices, techniques and programs. Reasonable knowledge of county and state laws, ordinances, rules and regulations relating to environmental health. Reasonable skills in applying the knowledge of environmental health principals to environmental health problems. Reasonable skill in enforcing environmental health regulations in a firm but tactful manner. Reasonable communication skills to allow effective communication with fellow employees and the public. Ability to present, explain and discuss the field of environmental health before small and large groups. Ability to gain compliance with environmental health laws, regulations and ordinances with a minimal amount of formal legal enforcement. Ability to work harmoniously with co-workers, other organizations and agencies, and the general public. This description is intended to describe the type and level of work being performed by a person assigned to this job. It is not an exhaustive list of all duties and responsibilities required by a person so classified.

Duties: Inspects and evaluates premises having environmental health significance, such as food service establishments, public swimming pools, bathing beaches, on-site water and sewage disposal systems, sites of alleged public health problems, and any other facilities of environmental health significance. Enforces county and state laws, ordinances and regulations. Provides environmental health services such as subdivision review, water supply permit and sewage system review, foodborne or waterborne disease investigation, groundwater contamination and other detailed environmental health problems. Provides general consultation to architects, engineers, developers and builders in relation to sanitation requirements. Provides assistance and guidance to citizens and agencies with environmental health problems and explains environmental health problems to interested groups. Prepares detailed correspondence and reports. Completes special projects and assignments as requested. The duties stated are intended to describe the general nature and level of work being performed by a person so classified and are not to be construed as an exhaustive list of all duties and responsibilities.

Equal Opportunity Employer ~ January 25, 2021 – January 29, 2021

JUVENILE CENTER – 24 hour facility Youth Specialist II (\$37,731)

Required: A Bachelor's Degree from an accredited college or university in counseling, social work, criminal justice, psychology, or related social services field. Previous minimum of three months experience in social services or juvenile direct care. Preference will be given to those with previous experience working with delinquent or emotionally troubled youth and/or families, which may have been in an intern or volunteer capacity.

Note: Applicants that do not meet the minimum requirements for Youth Specialist II but have at least thirty semester or forty-five quarter hours of college education, which includes three semester or four quarter hours of psychology may qualify for Youth Specialist (\$34,302).

Special Requirements: Must submit fingerprints and may be subjected to criminal record, character, reputation, mental health and moral character screening and clearance before employment. Must possess a valid vehicle operator's license. Must have open availability to work any shift and work flexible hours including evenings, nights, weekends and holidays as required. Regular, reliable, and predictable attendance is required.

Physical Requirements: This job requires the ability to perform the essential functions of the position.

Duties: Under the supervision of the Berrien County Juvenile Center Director, provides for the safety, security, and well-being for residents, visitors, and staff within the detention facility. Supervises, guides, and counsels residents through daily activities within the framework of the residential and educational programs. Works closely and communicates effectively to ensure program effectiveness, staff accountability, professional personnel performance, problem solving matters and other issues impacting the Juvenile Center. Intervenes when necessary in crisis situations in accordance with policy and procedure guidelines for physical and mechanical restraints, room confinements, or other appropriate action. Operates and monitor electronic security and communication equipment including control panel, intercom, computers, visual monitors, electronic doors, room sound detectors, and alarms. Monitors weather alert system. The duties stated are intended to describe the general nature and level of work being performed by a person so classified and are not to be construed as an exhaustive list of all duties and responsibilities.

PARKS DEPARTMENT

Lifeguard (\$11.50/hr.)

Note: This is a **temporary, part-time** position working a maximum of 1,000 hours per calendar year. There are no benefits. An employee in this class is required to work weekends and holidays on a regular basis and is required to wear a department issued uniform while on the job. Positions available Memorial Day through August.

Required: Current certifications of training for Red Cross Lifeguard Training or equivalent and CPR for Adult, Infant, and Child. Must pass both written and water tests demonstrating individual physical fitness and knowledge of water rescue techniques. Must be at least 16 years of age.

Desired: Prior lifeguarding experience.

Duties: Lifeguards are employed primarily for the protection of swimmers and control of beach activities at Silver Beach County Park. Lifeguards are in charge of beach and water related activities and shall discourage unsafe practices therein. Work is performed under the direct supervision of the Head Lifeguard or their designee. Typical duties include enforcing park rules and regulations that discourage unsafe beach and water activities, providing necessary rescue and emergency care for accident victims, performing appropriate first aid, participating in regular training and employee improvement, and various other duties as required. The duties stated are intended to describe the general nature and level of work being performed by a person so classified and are not to be construed as an exhaustive list of all duties and responsibilities.

Equal Opportunity Employer ~ January 25, 2021 – January 29, 2021

PUBLIC SAFETY COMMUNICATIONS CENTER

Public Safety Dispatcher (\$41,003)

Required: High School Diploma or equivalent certificate. Minimum of two (2) years previous related work experience in a capacity requiring interacting with the public, preferably in a customer service or communications/telephone capacity. Must be able to type **35 words per minute net** as administered through County Personnel department testing measures. **Note:** Please contact Personnel to schedule a typing test if you have not taken one before with our office. Your application will not be forwarded until you have taken and successfully passed the typing test at the net speed required for the position.

Special Requirements: Must have a valid driver's license. No felony convictions. Candidates must comply with audiometric testing and be able to maintain the audiology requirements set forth by National Emergency Number Association (NENA) standards.

Desired: General knowledge of the streets and principle locations in Berrien County. Prior experience in Public-Safety Dispatch, Law Enforcement, Fire Science or Emergency Medical Response; or high volume customer service center. Ability to act quickly, accurately, perform more than one function at a time, work effectively with other staff and the general public under all conditions. Data entry or related computer experience. Bilingual speaking skills; Spell accurately, speak English clearly and concisely.

Special Employment Conditions: Ability to communicate well verbally and in written English. Ability to differentiate colors and read maps, dispatch controls and charts. Must be able to master telephone system, departmental dispatch computer applications; includes 911/telephone devices, Computer Aided Dispatch (CAD) system, Geographical Information System (GIS mapping), and emergency notification systems. Persons performing this type of service must possess the ability to concentrate and devote the attention necessary to work effectively at a pace that is dictated by the circumstances. Must possess communication skills that allow for accurate critical information gathering when assisting the public involved in high-stress and/or life-threatening situations, remain professional at all times, and communicate concurrently with co-workers and customers. Must develop the ability to effectively mobilize the appropriate public-safety disciplines, and relay well-refined "situational awareness" to responders. Regular, reliable and predictable attendance will be required, to perform duties as assigned in a 24/7/365 service environment; be able to work different shifts, weekends, holidays and overtime as necessary. Ability to sit/stand for long periods of time as an emergency situation may dictate. Will not be able to schedule routine break periods. An employee of this class will be required to successfully complete initial intensive and periodic training and maintain certifications to meet job proficiency requirements, as well as, receive random performance review ratings and guidance, that includes the acceptance of constructive critiques.

Duties: Answers pending emergency and non-emergency public-safety calls-for-service in a timely manner, over various telecommunication devices; based on operational rules and guidance, consistently analyzes and identifies the situation, and executes the best course of action. Efficiently and accurately gathers pertinent information on prescribed dispatch systems and alerts Dispatch staff, to achieve effective mobilization of public-safety resources; includes valid location/jurisdiction, call-type, priority level, remaining in-contact with a caller during developing situations, executing emergency medical instructions to callers verbatim by prescribed format, and noting updates in real-time. Executes Dispatch protocols by mobilizing the appropriate public-safety services over radio or other authorized means, facilitates Unified Command communication operations, and continuously monitors radio channels, unit status and movements to maintain operational awareness of assigned areas. Operates Emergency Alert and Public Warning Systems as defined by protocol. Processes administrative calls and computer messages by answering questions and forwarding such information to the appropriate person or agency. Delivers messages by telephony, e-mail or automated notification system. Mobilizes special teams, towing services, utilities, public works or other vital support services during emergency events. Performs computerized Law Enforcement Information Network (LEIN) inquiries and entries via computer and radio. Prepares and maintains records in both manual and automated forms. Performs general and clerical support duties including filing, copying, data entry, word processing and greeting/processing visitors. Senior employees of this class may be designated to as a Shift Leader to assist or perform specific Communication Center Supervisor duties as assigned. Practices proper security measures of the facilities and departmental systems, including the safeguarding of confidential information. Appear in court as a witness to participate in proceedings regarding involvement in call-related cases. May be assigned to train staff in performance of new assignments. Performs other related duties as assigned. This description is intended to describe the type and level of work being performed by a person assigned to this position. It is not an exhaustive list of all duties by a person so classified.

Equal Opportunity Employer ~ January 25, 2021 – January 29, 2021

ROAD DEPARTMENT

Operations Engineer (\$74,899 - \$84,299)

Required: Bachelor's degree in Civil Engineering and must be a licensed Professional Engineer in Michigan. Five years of progressively more responsibility at a firm or state or local government agency working in the area of transportation related to road systems. Regular, reliable and predictable attendance is required. A valid vehicle operator's license is required.

Desired: Knowledge of methods of planning, developing and administering programs; reporting methods and techniques; the principles and practices of transportation engineering; the equipment, testing and investigative methods and laboratory procedures related to transportation engineering; state, federal and local laws related to the work and training techniques. Ability to plan, direct and coordinate programs and administrative activities of a complex, interrelated, and interdependent nature where unknowns and numerous contingency factors are involved; formulate policies and procedures relevant to program areas based on information of conceptual nature from varied and complex sources; interpret complex rules and regulations; communicate with others verbally and in writing; perform research work and to make comprehensive recommendations on transportation engineering issues; read, interpret and prepare engineering plans, specifications and technical reports; organize, evaluate and present information effectively; promote and maintain favorable public relations; maintain a high level of professionalism and confidentiality. This position requires advance knowledge in the field of work. Responsible for highly complex assignments, with scope of responsibility being significant. The job function has considerable impact within the County.

Duties: Develops and maintains a maintenance operations manual and coordinates/develops a maintenance strategy that compliments and/or supplements asset management plans for roads, bridges and culverts. Develops a "sensible salting" standard and continues investigating and developing winter operation standards/procedures to effectively handle snow and ice removal. These activities could include recommendations on truck purchases and equipment necessary to effectively track winter operations, including familiarity of automated vehicle locator systems and road weather technologies such as the Maintenance Decision Support System (MDSS) and the use of winter weather severity index and predictive models. Oversees and directs the survey, design and construction of County culverts and bridges, including: preliminary cost estimates, preliminary design, right of way acquisition, final design, project specifications, bidding documents, construction inspection, pay estimates, material testing and project documentation. Continuously evaluates and reports on the condition of bridges and culverts, recommending projects for maintenance, repair, reconstruction or replacement. Oversees biannual bridge and culvert inspections. Continuously reviews new and improved materials, equipment and construction techniques in order to secure better and/or more economical results in the design, inspection and construction of County infrastructure. Reviews, makes recommendations and causes to be inspected the proposed plans and construction related to County road right of way which may be put forth and implemented by various consulting engineering firms, municipalities and public utility companies. Manages an assigned program in order to carry out the department's statutory responsibilities, which may include consultation, investigation, evaluation, and plan design. Coordinates the development of professional transportation engineering training programs for Road Department staff. Maintains liaison with other agencies, organizations, and employees to coordinate technical programs. Serves as a technical consultant and liaison staff to industry and governmental agencies in the assigned areas. Maintains records and prepares reports and correspondence related to the work performed. Completes special projects and performs other duties as assigned by the Road Department Director. The duties stated are intended to describe the general nature and level of work being performed by a person so classified and are not to be construed as an exhaustive list of all duties and responsibilities.
