

# GETTING BACK TO WORK SAFELY: ONLINE EMPLOYEE ILLNESS TRACKING TOOL FOR ORGANIZATIONS

We want to help your organization or business get back to work safely. We invite you to use this secure, online platform to enter de-identified, aggregate counts of employees experiencing symptoms of illness on a regular basis to monitor trends over time and help us prevent outbreaks of illness from happening in your workplace. All COVID+ cases in your workplace can be reported through this portal to the Berrien County Health Department, per current Executive Orders in Michigan.

## Get started at [back2worksafe.com](https://back2worksafe.com)

1

### CREATE AN ONLINE ACCOUNT

With a few simple clicks, you can create an online account for your organization to regularly track employee illnesses.

2

### TRACK EMPLOYEE ILLNESSES

Enter the number of employees who have respiratory symptoms or other illness each day or week. Report all COVID+ persons to BCHD.

3

### MONITOR THE TRENDS OVER TIME

Your personalized dashboard allows you to see trends with illnesses over time at all your organization's locations.

4

### HELP TO "DO YOUR PART"

Report all COVID+ persons to BCHD within 24 hours. Regular reporting helps BCHD to monitor county-wide illness and prevent outbreaks.
